Enrollment for 24/25 School Year: You will receive information about enrolling for our classes next year. We have requested that you return these forms by Wednesday, February 1st in order to secure your child's place for next year. After that time enrollment will open to the general public. If you have any questions about which class is suitable for your child please speak to the teachers. Please spread the word about our unique school that has a high caliber of learning!

Summer Speech Camp: Information about our Summer Speech Camp will be sent home. Camp will begin on June 17th and run for 7 weeks. This program is for students that have different needs and includes a speech session. This is a wonderful opportunity for students to retain skills over the summer, gain new skills and friends! We will also be offering an Enrichment Camp for our 4 and 5 year old students to help them retain skills over the summer. It is similar to a kindergarten boot camp to prepare them for the upcoming new school year.

Absences: If your child will not be attending school we ask that you let us know. You can send an email, leave a message or text on Remind. This is very helpful to our staff to keep on top of any illness. We know many families are already in this practice and we appreciate everyone's help.

Boots: Now that snow is approaching children may prefer to wear winter boots. If your child wears boots to school please make sure to have them or help them change their boots into appropriate gym shoes. You can leave their boots in the hall by the water shelf, so they can change after they are dismissed.

Field Trip: Save the date for our field trip on Thursday, March 28th. We will be exploring the Cleveland Children's Museum from 10:00 am - 11:30am. This field trip is for all families and there will be no school that day. Information will be coming home in February.
