

SCHOOL OF HEALING

UNDERGRADUATE CERTIFICATES

- The Holy Spirit
- Healing
- Prayer
- Conseling

JSPV's School of Healing is an in-depth study of the realm of healing which manifests through prayer and the Holy Spirit. Within these realms of study are deeper levels of learning about the components of prayer, manifestation from prayer, discernment, health and wellness, healing and the disciplines associated with prayer and healing. Application of these principles will enable students to operate in many aspects of ministry service with knowledge and spirit to demonstrate the acts of the Spirit through healing. This school lays a foundation for biblical and practical experiences of healing and how we are to exercise faith for healing today.
