

Dear Families,

It is hard to believe we only have two months left of your child's preschool years! It is going too fast, but we have so much fun and learning planned! Please mark your calendars with the important dates below. Have you looked into signing your soon to be kindergartner up for Safety Town? This is a wonderful program that will teach them safety essentials including bus safety. Please reach out to your teacher if you have any concerns about the transition to kindergarten.

This month we will be reviewing all our questions of the month. Please make sure to review your address and telephone number. These will be crucial for our Community Helpers week as we practice calling 911. It has been a sheer delight watching the Pre-K class blossom this year and build wonderful friendships. If you have any questions, especially about transitioning to kindergarten please reach out to us.
