

WELCOME TO THE

2025 CATALOG

Calla

For 2025, we are excited to bring to you more new products than ever before. There is a gift for everyone in your life, both women and men! You will love our new line of Unisex bags, rugged and refined, built for the adventurous and the sophisticated. Our four new unisex bags range in size from the full sized Classic Travel Backpack, to the medium sized Roll Top Adventure Backpack, to the compact Venture and Nylon Lightweight Slings. Each bag is thoughtfully designed with features that you did not know you needed, but don't know how you lived without them once you see them. Our largest bag yet, the full sized Classic Travel Backpack, has room for everything you need on your trip. With a built-in strap that loops over your roll-aboard, this bag will quickly become your favorite travel companion. The Rolltop Adventure Backpack features a popular roll top closure and is just the right size for school, work, or even a day hike.

You love our slings and this year we are introducing the Anti-theft Daypack 2.0 – the Sonoma series. Our new Sonoma slings are more sophisticated, more refined, but with the same clever features and designs that you have come to expect and love. In addition, they come in gorgeous new fabrics and materials that will surely appeal to the most discerning shoppers.

In addition, we are bringing forth a line of everyday Hobo bags and Totes that are chic, practical and designed to go from the playground to the boardroom. These new Hobo Shoulder Bags and Nylon Shoulder Totes have enough space for your children's toys, your laptop and tablet with plenty of space for your personal items. In addition they have cleverly thought out internal pockets to help you keep things organized and are made with water repellant fabric that is durable, protective and easy to clean. With our usual value oriented pricing, you will find these bags have amazing appeal.

Along the lines of athleisure lifestyle, Calla is introducing a new line of puffy athleisure bags that are great for travel, day trips, and weekend getaway trips. They are large enough to fit 2 pickleball paddles, balls, and workout clothes for a quick game or a trip to the gym. They are also versatile enough to fit what you need for a weekend getaway trip!

We are grateful for your support, and we will continue to create cool new products that continue to fly off the shelves!
