MEET & GREET

New students will be given a specific designated time to attend a Meet & Greet at our school on Wednesday, June 11th between 6:00-8:00pm. This will be a time to meet your child's teacher and speech therapist. Children will have an opportunity to become familiar with the classroom and gym area. **Please bring a copy of your child's current IEP and our Summer Snapshot**, along with any important information you would like to share. Please keep to your scheduled time, to avoid overcrowding and long wait times for your child.

DROP OFF & PICK UP

Please park your vehicle in the parking spaces located outside of the Education Center at Door #5. You may exit your car with your child no earlier than 5 minutes before your child's assigned class time. Parents will be asked to bring their children into the building and wait outside the classroom doors. A teacher will open the doors and greet all students at the door. Your child's hands will be sanitized upon entrance into the classroom. At dismissal, please wait outside your child's classroom door and a staff member will bring your child directly to you.

BACKPACK & CLOTHING

Our summer program will use playground activities and water play as fun outside experiences for the children. This will be balanced out with circle time, music, art, speech, small group, and free play. Please send a backpack or school bag with your child each day. In the bag include a complete change of clothes and a diaper, pull-up, or underwear, just in case.

COMMUNICATION

Communication at drop off and pick up will be brief, but please feel free to contact the school or your child's teacher via phone or email if you have a question or concern. They will get back with you promptly.

Sincerely,
