MEDICARE SUPPLEMENT (ALSO CALLED MEDIGAP)

Can fill some of the gaps that Original Medicare does not cover

- ✓ Can cover deductibles, copays, and coinsurance
- ✓ Freedom to choose any Medicare-appointed doctor in the U.S.
- ✓ Standardized plan letter with associated services
- ✓ Has a monthly cost and will vary based on insurance company

MEDICARE SUPPLEMENT PLANS DO NOT COVER:

Prescription drugs

Drug coverage can be added separately through:

- A Prescription Drug Plan (PDP)

OR

- Other creditable coverage

PART D — PRESCRIPTION DRUG PLAN

Two types of Part D Coverage:

- ✓ Stand-alone Prescription Drug Plan
 - Must have Original Medicare Part A, Part B or both
- ✓ As part of a Medicare Advantage Plan
 - Medicare Advantage plans must include Part A and Part B coverage

Part D coverage information:

- ✓ Covers some prescription drug costs
- ✓ You must continue to pay your Part B premium (if applicable)
- ✓ You must live within the Part D plan's service area

PART D — LATE ENROLLMENT PENALTY

- ! **Did not sign up for Part D when first eligible and did not have creditable coverage for more than 63 days?** You may have to pay a late enrollment penalty for as long as you have Part D.
- ! **The penalty is** 1% of the national base premium (\$36.78 in 2025) multiplied by the number of months you were not covered while eligible.
 - For example, the national base premium in 2025 was \$36.78. If you signed up in 2025 after missing 10 months of coverage, your monthly penalty would be \$3.70 per month (\$36.78 X 10%).

YOUR PRESCRIPTION DRUG COSTS CHANGE BASED ON THE COVERAGE STAGE YOU ARE IN.

Stage 1 Deductible	Stage 2 Initial Coverage	Stage 3 Catastrophic Coverage
The amount you pay before a plan covers your prescription drug costs.	The plan pays its share of the cost, and you pay your share (copays and coinsurance).	After you reach the Maximum Out-of-Pocket, the plan will pay your covered drug costs for the rest of the year.
Deductible Range: \$0 – \$590 (2025 amounts)	Maximum Out-of-Pocket Cost for covered drugs: \$2,000	No copay or coinsurance for covered drugs the remainder of the plan year.

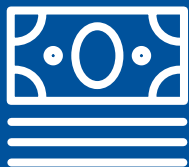

NOTE: In 2025, the “Coverage Gap” stage has been eliminated.
