

## MEEC ALL SCHOOL NEWS

**Santa Day:** We are so excited that our school is lucky enough to have a visit from Santa! Families that sign up to donate will drop those off in the Fellowship Hall, then place their coats in the gym where they will wait for the elf to escort you down to the gathering room. Please be on time since Santa is very busy. Once you have had your picture with Santa please go to the Fellowship Hall. We are happy that our PTO has arranged for cookies and milk with Mrs. Clause! So wear your festive clothes on December 20th and be ready for a magical time!

**Boots:** Now that snow is approaching children may prefer to wear winter boots. If your child wears boots to school please make sure to have them or help them change their boots into appropriate gym shoes. You can leave their boots in the hall by the water shelf, so they can change after they are dismissed.

**Picking Up Students:** We understand that your child might not be able to give you much information about their school day or perhaps they just say they “played”. Your teachers want to give you lots of valuable information about their day, but you need to come **ten minutes prior to your dismissal time in the big room and five minutes beforehand in the little room.** If you know more about your child’s day then you can ask them questions. This will develop working memory skills, recalling information, and language to answer questions. Our teachers have other responsibilities to fulfill once dismissal time is here, so please be on time and make the effort to be there for a review of your child’s day.

**2025 Snack Sign Up:** Please consider signing up for snacks for the upcoming year.
