**[MEEC Sings](#):** We are looking for Pre-K students to join us and sing for Bethel Church Members. Students will meet at 9:30 am in the Gathering Room. The students will sit all together in the church and then sing at 9:45 am when the service starts. Families are welcome to stay or leave right after. This is a great way to prepare for our upcoming graduation performance and give back to the church that gives MEEC a home! We will have another opportunity to sing on May 3rd. Please let your teacher know if you can attend.

**Pick Up Time:** If you would like to hear about your child's day, please arrive at 2:40 pm. The teachers will give you a detailed explanation of their day. This will open the door for you to ask them lots of questions about their day (you can guide them since you will have the answers) and have engaging conversations. These language skills are very important, along with recalling information and answering "WH" questions. If you start this process now, you will learn a lot about kindergarten next year!

**Question of the Month:** What is your phone number? Please make sure your children practice a parent's cell number and let your teacher know that number.

**Kindergarten Registration:** Believe it or not, registration is in full swing for kindergarten. This is also a good time to talk with your city about registration for Safety Town. Some of our students could also really benefit from our Summer Enrichment program this summer to continue to make gains in kindergarten preparation skills. Please speak with your teacher if you have any questions about schools in the area or our summer program.
