- Freon and other air conditioning components
- Batteries including starting, stop-start, and auxiliary
- Washer nozzles, reservoirs, lines, and fluid
- Manual clutch and pressure plate
- Brake pads, rotors, brake fluid, and parking brake components
- Hybrid batteries and other hybrid components unless otherwise stated
- Any covered defect caused by abuse, neglect, or unauthorized alteration

Issues with the vehicle caused by abuse, neglect, unauthorized alteration, or otherwise incorrect operation of the vehicle will not be covered. Issues that are not brought to our attention within the warranty period are not covered. Issues that are not caused by a covered part or repair are not covered. Refusal to bring the vehicle to us for an issue is not covered. We do not reimburse for vehicles repaired at outside facilities without prior permission or approval. We reserve the right to make the decision on warranty coverage for parts or repairs not listed above.

If you have purchased an extended warranty, your covered repairs may differ. Please see your contract for details.

New York State law requires us to provide you with this information. Repair timeframe may be affected by parts and technician availability. We will try to work with you to get your vehicle repaired as soon as possible.
