

Wee Three's AM Big Room Newsletter

Dear Families,

Our little learners have made some great strides as spring arrives! We are developing pre-writing strokes, matching, identifying our names, snipping with scissors, and being able to answer more questions at circle time. We have lots in store for this last part of the year, so here are some upcoming events!

Shape Monster: The students have been hard at work learning about their shapes and will finish up their Shape Monster Books this month. Not only have they been learning about shapes, but they have also gained valuable pre-reading strategies!
