

Great Beginnings February 2025 Newsletter

This month in Great Beginnings will be extra sweet as we celebrate Valentine's Day!

Your child will also be working hard on Art Show projects this month!

Valentine's Party February 12th and 14th: We ask that your child please bring in 7 Valentine's for their friends and wear red, white, or pink. Please do not write friends' names on the valentines, just write your child's name on the cards. Please place the valentines in a bag with your child's name on it.
