DISCLAIMER: Although every precaution will be taken to prevent damage and/ or theft from occurring to specimens while in my possession. I can make no guarantees. If a specimen is brought/sent in a frozen state, no judgment can be made as to its condition until it is thawed. Since proper field care is of the utmost importance in determining the quality of the final product, I can not take responsibility for the mishandling of the specimen up to the point at which it is brought to me. Therefore, leaving your specimen with me is done at your own risk, and I can take no responsibility for the specimen before, during or after the mounting process is completed. If a specimen is being shipped back to a client, we will do our utmost best to secure the specimen before shipping. We are NOT responsible for damages once the project has been shipped.
