

Wee Three's PM Little Room Newsletter

Dear Families,

Welcome Back and Happy 2025! We hope your holidays were filled with happiness and joy! This month our theme will be winter and shapes. This year we will begin another book as we learn our shapes! Our book is Shape Monster. We will make a variety of crafts and complete activities as we learn a new shape each week. Your child will work on more pre-reading skills as they read our book, and we are sure they will tell you about feeding Shape Monster! We will also be working on more pre-writing strokes, spelling our name, and introducing scissor skills. In regards to self help skills, we have introduced the "flip method" with putting on a coat and encouraging children to zip their own coat. We greatly appreciate you working on these skills at home.
