

CASA is entering its 23rd year of advocating for abused and neglected children with the help of trained volunteers. We invite your partnership in supporting children across 45 communities in the nine counties we serve.

In 2024, we're simplifying the sponsorship process for businesses like yours. Now, you can sponsor all our events throughout the year with a single donation! Choose a sponsorship level that aligns with your giving goals—it's a straightforward way to support us and make a meaningful impact.

2024 SPONSOR GUIDE

How your sponsorship supports CASA

Recruit

At CASA, we recruit volunteers year-round through local video, radio & social media ads, community presentations, and booths. Your sponsorship directly helps CASA recruit more volunteer advocates.

Train

CASA offers four 5-week pre-service training classes each year and numerous continuing education workshops. Your sponsorship helps CASA cover the costs associated with these training classes so that our volunteers are fully equipped to effectively advocate for their assigned children.

Support

Per federal and state guidelines, each volunteer must be supervised by CASA staff (an advocate manager). Each manager can support no more than 30 volunteers, but the best practice around the state is between 20-25 volunteers. Your sponsorship ensures we have sufficient staff to support our volunteer advocates.
