

Toddler First Day Checklist

What FBC Child Development Provides:

Cot Sheets	Cot sheets are changed, washed and provided weekly for your toddlers when they are in our care. You will be responsible for providing a blanket weekly. Blankets will be stored on cots and on Friday will be placed in the cubby to go home to be washed and return on Monday.
Naptime	Naptime for the school ranges from 12pm-2:30pm. We ask that children are not dropped off during that time so we don't interrupt rest time for the students in the classrooms.
Meals	Our School provides 3 meals a day. Breakfast, Lunch, and Snack. Menus will always be posted on the parent board at the entrance.
Meal Serving Times	Breakfast 8:30am-9:45am Lunch 11:30am-1:00pm Snack: 2:15pm-4:00pm Please check your child's schedule for their classroom eating time.
Daily Activity Report	We will provide you with a Daily Activity Report through our parent engagement app, telling you about your baby's day.
Bibs	We will provide clean bibs for your child's needs.

Important Reminder:

Complete Required Forms: You may have submitted these forms in advance. If not, the following forms are needed on the first day:

- Feeding Form
- USDA Application
- Shot Record
- Medical Report
- Medication Form (if applicable).

What to pack for your Toddler:

Diapers	We request that you bring diapers in bulk for your child's first day and we will alert you when it is time to replenish their supply. It is better to have too many than not enough, so we suggest 8-10 per day.	
Wipes	Pack a full container initially and bring a refill package and we will follow-up to replenish them as needed when they run out.	
Clothing	Send your child with two or three outfits initially, sealed and labeled in a bag. We will send home any soiled clothes to be replaced as needed. Include socks in addition to different weather appropriate clothing. Your child will be spending time both indoors and outdoors, so they'll need to be comfortable all day. *Please remember they will get dirty*	
Pacifiers	If your child uses a pacifier, we recommend keeping 1 at school to ensure there is always one on-hand if your child needs comforting. Please label each pacifier with your child's name or initials. This is also the class we transition away from pacifiers.	
Shoes	Each day, bring your toddler in hard bottom closed toe shoes. They must have secure shoes on at all times. Sandals are allowed but the toes must be covered.	
Diaper Rash Cream & Ointment	If you are providing rash cream for your child, you must fill out a medication form provided by CDC and store the labeled cream in a sealable bag still in original container..	

Diaper Bag and Outside Food Reminder:

Diaper Bags:

We do not allow diaper bags in the classrooms. All items must be unpacked and should fit in their cubbies.

If you need to leave a bag please let the teacher know and you can lock it away in the lounge. The key will always be hanging on the door. Place on shelf that states "Diaper Bags"

Outside Food:

Outside food is not allowed. You must throw it away upon arrival. That includes liquid in sippy cups from home. We will not be able to store the cup in the classroom.
