An Easter Message from Bill Schimmelman

DeColores!

A most Blessed Easter to you all. Easter is a celebration which changed the world. All things are made new. The resurrection of Jesus fulfilled the prophecies of scripture. Because Jesus was resurrected, we who believe in Him shall also be raised to eternal life. So, what does that mean to us? For those who believe in Jesus will experience a resurrection after our earthly body dies and we will dwell with Him in heaven for eternity. On earth our sins are forgiven and we stand righteous before God. That also means that the Holy Spirit is with us to renew us each and every day. Each and every day, no matter what we are going through, the Lord promises to be with us. So, remember that we are His children and He cares for each one of us. What an incredible promise! We are loved by the creator of the universe. We are special and He died for our sins and lives forever. God loves you and so do I
