## Wee 3's PM Little Room Newsletter

This month in Wee Threes will be extra sweet as we celebrate Valentines Day! Your child will continue to learn about shapes with our shape monster book, as well as create AMAZING artwork for the MEEC Art Show! Students will continue to develop proper scissor skills during the month of February.

**Scissor Skills:** Learning how to use scissors is such an important skill for your little one! Using scissors isn't just about cutting paper, it promotes hand strength, bilateral coordination, hand-eye coordination, focus and attention, and visual/perceptual skills! Practice at home with cutting playdough, cooked spaghetti noodles, and straws! Ms. Bri will be passing out information at the beginning of the month on how you can promote proper scissor skills at home.

### **Valentines Party- Wednesday, February 11th and Friday, February 13th**

We ask that your child please bring in 8 valentines for their friends! ***Please do not write friends' names on the valentines.*** Just have your child write their name only (or help them) on the valentine please. Please place the valentines in a bag, labeled with their name and place it on the cart by the classroom door! Don't forget to wear RED, PINK, or WHITE on the day of the party!

**Valentines Party:** Please sign up [here](#) for party goods!
