**Enrollment for 25/26 School Year:** You will receive information about enrolling for our classes next year. We have requested that you return these forms by Friday, January 30th to secure your child's place for next year. After that time enrollment will open to the general public. If you have any questions about which class is suitable for your child please speak to the teachers. Please spread the word about our unique school that has a high caliber of learning!

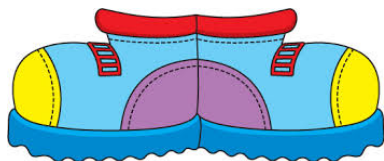

**MEEC Summer Camp:** Information about our Summer Camp will be sent home soon. The camp will begin on June 16th and run for 7 weeks. **This program is for ALL students.** This is a wonderful opportunity for students to retain skills over the summer, gain new skills, and make new friends! This is also a wonderful opportunity for students who are transitioning to the large room to make the transition before the start of the new school year. We will also offer an Enrichment Camp for our 4 and 5 year old students to help them retain skills over the summer and as a kindergarten boot camp to prepare them for the upcoming new school year.

**Field Trip Survey:** We are looking for your input about a field trip in late April or the first week in May. We would love to have your input by January 17th!

**Art Show: Save the date for our annual art show on Friday, March 21st!** We welcome everyone to come and view a showcase artwork from our preschoolers. Our teachers will save artwork for this exciting night for the whole family!

**Absences:** If your child will not be attending school we ask that you let us know. You can send an email, leave a message or text on Remind. This is very helpful to our staff to keep on top of any illness. We know many families are already in this practice and we appreciate everyone's help.

**Boots:** Now that snow is approaching children may prefer to wear winter boots. If your child wears boots to school please make sure to have them or help them change their boots into appropriate gym shoes. You can leave their boots in the hall by the water shelf, so they can change after they are dismissed.
