

WEE THREES PM LITTLE ROOM NEWSLETTER 2025

Dear Parents,

This month the children will become busy little elves as they work on special Christmas gifts for their families. We will be spreading holiday cheer with new Christmas songs, special reindeer games, and festive activities that will help us learn and develop new skills! We are very excited that Santa and Mrs. Claus will be visiting our school on December 19th! This is such a magical time to be a part of a young child's life and spending time with your child is the very best gift of all! The MEEC school family wishes your family a safe and joyous holiday!

Beat the Winter Break Boredom Blues with your little ones by trying a few new (device free) activities!

- **Visit a local library for story time**
- **Practice prewriting strokes in shaving cream**
- **Build a fort with blankets and cushions**
- **Build a snowman**
- **Play with playdough...its great for strengthening hand muscles**
- **Practice putting on your coat using the flip method**

These are just a few ideas. Most importantly, enjoy these precious moments with your child while working on great developmental activities!
