

Dear Pre-K Families,

It is hard to believe we only have two months left of your child's preschool years! It is going too fast, but we have so much fun and learning planned! Please mark your calendars with the important dates below. Have you looked into signing your soon-to-be kindergartner up for Safety Town? This is a wonderful program that will teach them safety essentials, including bus safety. Please reach out to your teacher if you have any concerns about the transition to kindergarten.
