****Each cabin "sleeps" a base number of people. Base rate is calculated by the number of queen beds in the cabin. Over the base number there is a $10 extra charge per person per day.**

Two of our cabins (Cabin 1 and 2, now known as the Fish and Duck) were built in the early 1950's and still retain their original charm. Immaculately clean and updated with most modern conveniences. Our cabins feature fully equipped kitchens and outdoor charcoal barbeque grills and fire pits. These two cabins do not come equipped with laundry facilities, but the resort now has coin operated washers and dryers on the premises for your convenience. Recently upgraded windows with central air and heat.

Cabins 7 and 8 (Moose and Bear) are mobile homes and have all the modern conveniences including dishwashers and washers/dryers. Laundry use is only for those staying in the cabin, no cross-cabin usage. We now have a laundry facility to accommodate cabins and RV renters that don't have washers and dryers in their units.

Each cabin rental includes one boat stall. Additional stall rentals are $10 per day based on availability and advance reservations are required. Boat slips are pre-assigned especially on holiday weekends and each guest must complete and sign the release of liability waiver upon request, prior to docking their boat in a slip.
