# A Problem Road Sign

- Too many words
- Font too small
- Illegible at highway speed
- If you can't read it you can't obey it
- Sign carries threat of enforcement
- Hopefully not a deliberate trap

# Recommendations

- Road signs need to be legible
- Replace illegible sign with electronic sign that shows school speed limit only when appropriate:  
8:30 - 9:00 AM and 3:45 - 4:15 PM on school days
- Or remove the bad sign
