**Pick Up Time:** If you would like to hear about your child's day, please arrive by 11:10am. The teachers will give you a detailed explanation of their day. This will open the door for you to ask them lots of questions about their day (you can guide your child since you will have the answers) and have engaging conversations. **Question of the Month:** What is your phone number? Please make sure your children practice a parent's cell number and let your teacher know that number.
