There is still time to sign up for the first ever MEEC RIDE-A-THON FUNDRAISER! We have extended the deadline to sign up until May 9th. Your little one can ride a trike, scooter, bike, wagon etc. with their friends while raising money for MEEC! This event will only take approximately 30 minutes. What a special experience for everyone! Please feel free to bring family and friends to cheer on your kiddo! We encourage every MEEC student to sign up even if you think you may not be able to attend. You are still able to share the donation with family and friends to help support MEEC, even if you cannot make the event.
