

# All New Meredith Motors Repair Facility

**518-399-8283**

We just opened our Brand New Repair facility with a full time Mechanic. We want to bring the same level of Honest Service to the Repair side of things as we do with the Used Car Department at Meredith Motors. We can work on your car, truck or SUV. We are taking on new customers now. We specialize in Brake work, exhaust work, NYS Inspections, Oil changes, Motor work and more! Please feel free to call, email, or text us to schedule an appointment.
