Tired of mundane candle designs? So were we! Uncommon Flame was born to revolutionize soy candles' often-plain aesthetics, turning them from ordinary to exceptionally cool.

Uncommon Flame, a women-owned and veteran-operated business, crafts each candle in the U.S. with utmost care and creativity. Our designs offer a modern twist to candles that will brighten your home or bring a special touch to events.

Uncommon Flame is your one-stop candle shop for uniquely cool and quirky candles, whether you need a small quantity or large batch.

Here's what to know about our custom/namedrop candles:

- We can use your artwork, or we can design the label for you.
- You can add your business logo or brand to any of our stock designs (but not the Artist Series candles).
- We offer multiple sizes for custom/namedrop customers – 4- and 8-ounce, in addition to our 16-ounce size and tins.
- We offer low minimums (24) and quick turnaround time for all custom/namedrop/private label orders!
