

Stepping Stones 2026

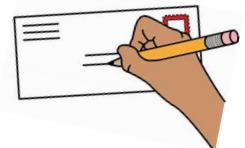

February is here, bringing with it hearts, kindness, and plenty of learning fun! This month we are excited to create memorable crafts for Valentine's Day, learn about Presidents, and make some awesome projects for our upcoming Art Show in March! Thank you for your continuous support! We can't wait to watch your little ones discover, imagine, and share their creativity in the weeks ahead.

Stamped Envelope February 4th : Please send in a self-addressed stamped Business-sized envelope to school. The envelope can be made out to "The (your last name) Family" and your address. Don't forget the stamp! Place the envelope in the green box on the shelf in the hall no later than February 4th. We will be sending a special valentine to our families.

Valentine's Party February 12th: Each child is asked to bring in 20 valentines with their name on the valentines to pass out to their friends. Please DO NOT put friends' names on them. Just have your child (or help them) write their name only on the valentine please. **Please place the valentines in a bag, labeled with their name**, and place it on the cart the morning of the party. The children can also wear red, white, or pink.

We are also looking for families to contribute treats for the day. Treat sign up is available on Sign-up Genius:

Show-n-Tell on Tuesday, February 17th: Please have your child bring in an instrument that they will use for the parade. This can even be a homemade instrument (we love seeing the creativity). The students will talk about what instrument they brought, who gave it to them, or how they made it.

Parade on Tuesday, February 17th: The children will also be having a Patriotic Parade on Tuesday, February 17th. We will be using their instruments from Show-n-Tell to put on a good show! **The children are asked to wear red, white, and blue to school on that day.** Families are invited to attend. The parade will take place at 11:00am. Dismissal will immediately follow.

Question of the Month: What is your address? This is an important question that will take some time to master, so please start practicing.
