Unless the names of specific agencies are needed for clarity, the term “Agency” in this IFB refers to the CTWSI. However, SDDOT will be the coordinating agency for all matters related to any agreement resulting from this IFB.

CTWSI provides services without regard to race, color, gender, religion, national origin, age or disability, according to the provisions contained in South Dakota Codified Law (SDCL) 20-13, Title VI of the Civil Rights Act of 1964, the Rehabilitation Act of 1973, as amended, the Americans with Disabilities Act of 1990 and Executive Order 12898, Federal Actions to Address Environmental Justice in Minority Populations and Low-Income Populations, 1994. Any person who has questions concerning this policy or believes he or she has been discriminated against should contact the Department’s Civil Rights Office at (605)773-3540.

1.1 Scope of Work

CTWSI requests bids for the purchase of 2 Minivans.

1.2 Bidder’s Eligibility

CTWSI solicits bids from vendors that can supply minivans.

No bidder will be accepted, and no contract will be awarded to any person, firm, or corporation in arrears on any obligations to the CTWSI or that may otherwise be deemed irresponsible or unreliable by CTWSI.

Before executing a contract, the bidder must register with the South Dakota Secretary of State to conduct business within the State.

Important: All bidders submitting bids must have a Unique Entity Identifier (UEI) and be registered on SAM.gov. Failure to provide a UEI or register in SAM.gov will disqualify you from consideration. **Please allow up to 3 weeks for SAM.gov processing.** You must have a UEI before the award date to be eligible.

Acquiring a UEI number on SAM.gov is FREE. For information on obtaining a UEI for SAM.gov, please click here: <https://sam.gov/content/home>

1.3 Proposed Schedule for Procurement

The following is the solicitation schedule for bidders:

- Bidder questions, communications, and requests: 05/21/2025

- Responses to Bidders' questions, communications, and requests and/or Purchasing Agency addenda: 05/28/2025
- Bid Due Date: 06/13/2025
- Bid Awarded: 06/20/2025

1.4 Obtaining Invitation for Bid Documents

Bid documents may be obtained electronically at the CTWSI website, www.communitytransitws.com. Any questions regarding the electronic documents can be directed to Terry Hoffman, 605-882-5287 or email Terry at: terry@communitytransitws.com.

1.5 Questions, Clarifications, Alternates, and Omissions

All correspondence, communications, and contact regarding any aspect of this IFB shall be only with CTWSI. Bidders and their representatives shall not contact or communicate with any member of the end purchasing agency or its employees or board of directors regarding any aspect of this solicitation or IFB.

At any time during this procurement up to the time specified in 1.3 Proposed Schedule for the Procurement, Bidders may request, in writing, clarification or interpretation of any aspect, a change to any requirement of the IFB or any addenda to the IFB using Appendix A. Requests may include suggested substitutes for specified items and any brand names. The words "product, equivalent, or equal" herein mean any material, furnishing, assembly, manufacturer, brand, trade name, element, item, or similar description, as applicable. Wherever a product is named in the specifications, the phrase "or approved equal " in the CTWSI's opinion shall be implied throughout the specification, whether specifically noted or not.

Should a bidder find discrepancies or ambiguities in or omissions from the IFB documents, or should the bidder be in doubt as to the meaning, the bidder shall request an interpretation in writing within the time frame specified. Using Request for Pre-Bid using Appendix A

If it should appear to a prospective bidder that the performance of the work under the Contract, or any matters relating thereto, is not sufficiently described or explained in the IFB documents or that any conflict or discrepancy exists between different parts of the contract or with any federal, state, local or SD law, ordinance, rule, regulation or other standard or requirement, then the proposed bidder shall submit a written request for clarification to the CTWSI within the time specified above.

If in any of the IFB documents, a vendor cannot meet the specification as written, the vendor may request an exception or alternative to the IFB, in writing using Appendix A, in advance of the bid. The bidder's exceptions must be submitted in detail before the pre-bid question deadline. CTWSI will be the sole judge of what constitutes an allowable exception and then only if the basic requirements of the specification are essentially unaltered.

Such written requests shall be made to the assigned Terry Hoffman, at terry@communitytransitws.com . The bidder making the request shall be responsible for its proper delivery to CTWSI and shall confirm with the transportation specialist. Any request for a change to any requirement of the IFB documents must be fully supported with technical data, test results, or other pertinent information showing evidence that the exception will result in a

condition equal to or better than that required by the IFB without a substantial increase in cost or time requirements.

Prior to submitting bids and when corresponding by email, it is suggested to ensure through verbal or email confirmation that the CTWSI has received all correspondence, including pictures, links to websites, written questions, and other communications.

1.6 Addenda to IFB, Responses to Questions, Clarifications, Alternates, and Omissions

All responses to clarifications or Requests for Pre-Bid Change Exception/Approved Equal Forms shall be provided to all prospective bidders. Any clarifications, modifications, approval of alternates, or changes to this solicitation will be published on the CTWSI website at www.communitytransitws.com . It is solely the responsibility of the prospective bidder to monitor the CTWSI website for any answers to questions, changes, or addenda.

CTWSI reserves the right to amend the IFB at any time in accordance with the 1.3 Proposed Schedule for the Procurement. Any amendments to the IFB shall be described in written addenda. Addenda will be posted on the CTWSI website at www.communitytransitws.com .

The prospective bidder is solely responsible for monitoring the CTWSI's website for addenda. Failure to receive the addenda does not relieve the bidder from any obligation under the IFB.

All addenda issued shall become part of the IFB. Prospective bidders shall acknowledge the receipt of each individual addendum in their bids on the Acknowledgement of Addenda form. Failure to acknowledge the receipt of addenda in the bid may disqualify the bid at CTWSI's sole option. If the agency determines that the addenda may require significant changes in the bid preparation, the deadline for submitting the bids may be postponed, allowing bidders sufficient time to revise their bids.

Any new due date shall be included in the addenda. Any response not confirmed by a written addendum shall not be official or binding on the CTWSI. Deviation from the IFB during the bid process or changes to the purchase order or contract resulting from this solicitation will not be allowed unless previously authorized in writing only by an addendum to the solicitations or modification to the purchase order or contract issued by CTWSI.

1.7 Examination of Documents

Prior to submitting a bid, each bidder shall examine all the bidding requirements, bid documents, specifications, and related IFB documents and become thoroughly familiar with the scope of the bid and all factors that affect it.

Each bidder shall review the conditions under which items will be furnished and other relevant matters affecting the bid or work. Submission of a bid shall be proof that such an examination has been made and that the bidder has satisfied themselves as to the conditions. No extras will be allowed because of the bidder or vendor's misunderstanding of the extent or scope of the bid due to their failure to make such examinations.

1.8 Methods of Bidding

Bids are requested for items as described in the Bid Form. Submit bids on the form included in the IFB Appendix E. A bid submitted on a form other than the one provided shall not be considered. Oral, telephone, email, or fax bids or modifications shall not be considered.

Bids shall be submitted in a sealed envelope and in accordance with the instructions in this solicitation. The solicitation title, "Minivan Procurement," and the bid opening date and time should be written in the lower left corner of the envelope.

- Bid Form, Appendix E
- FTA Federally Required Clauses and Certifications, which includes Debarment, and Suspension

Ambulatory passengers and driver are to be calculated at 150 pounds each.

1.14 Bid Price

A modification of a bid already received will be accepted by CTWSI only if the modification is received prior to the bid due date or is specifically requested by CTWSI. All modifications shall be made in writing, executed, and submitted in the same form and manner as the original bid.

A bidder may withdraw a bid already received prior to the bid due date by submitting to CTWSI, in the same manner as the original bid, a written request for withdrawal executed by the bidder’s authorized representative. The withdrawal of a bid does not prejudice the right of a bidder to submit another bid within the time set for receipt of bids.

After the bid due date, bids shall not be withdrawn by any bidder for a period of 60 calendar days after the opening of bids, only if CTWSI fails to award the contract within the 60 days or any agreed-upon extension thereof.

1.17 Warranty Obligation

A Bumper-to-Bumper Warranty shall apply to all vehicles and for a minimum of three years or 36,000 miles after delivery, whichever comes first. Specific subsystems and components are warranted and guaranteed to be free from defects for more than three years. These items are listed in the table below.

Item	Years	Mileage
Powertrain Limited Coverage	5 years	60,000

Vehicles delivered by driving them will have the warranty begin at the actual vehicle mileage at the time of final delivery at the recipient agency's location. A properly executed warranty shall be delivered with each vehicle.

When the user agency representative detects a defect within the warranty period, as described above, they shall promptly notify the vendor. Within five working days after receipt of notification, the vendor and user agency shall agree on whether the defect is covered under warranty. The vendor shall begin the warranty work necessary to effect repairs within six working days after receiving notification of a defect from the user agency. The user agency shall make the vehicle available to complete repairs within a mutually agreed-upon schedule. At its own expense, the vendor shall provide all spare parts, tools, and space required to complete repairs within the vendor's service facility.

On-Site Repair Calls: After the final acceptance of the delivered vehicle, which includes the thorough inspection and verification of equipment ordered and condition of the vehicle, and during the bumper-to-bumper warranty period, the recipient agency is allowed a maximum of two on-site repair calls. On-site repair calls are defined as follows: If warranty work is required that cannot be repaired through normal efforts by a local dealer at the recipient agency's location, the recipient agency will call the vendor, and the vendor must either send a service agent to the recipient agency's location to repair the vehicle on-site or pick up the vehicle on-site and take it to the vendor's location or other authorized repair location to be repaired and then return it to the purchasing agency's location. The warranty work performed under on-site repair call situations shall be at no cost to the purchasing agency. It should be conducted to minimize the vehicle's out-of-transit service time.

All services called for in the warranty shall apply without exception. Each vehicle shall include an owner's care book, and a copy of a detailed maintenance and inspection schedule supplied by the respective manufacturers of the vehicle and its subsystems (e.g., wheelchair lift, etc.).

The successful bidder shall have a list of the serial/identification numbers, manufacturer's names, phone numbers, and warranty information for the following items at the time of delivery:

1.19 Pricing

All prices quoted by the bidder shall be firm for the contract term.

1.20 Payment

1.21 Required Documentation at Time of Pickup or Delivery

It is understood and agreed that if this certification is false, such false certification will constitute grounds for the State to reject the bid or response submitted by the bidder or offeror on this project and terminate any contract awarded based on the bid or response. The successful bidder or offeror further agrees to provide immediate written notice to the contracting executive branch agency if, during the term of the contract, it no longer complies with this certification and agrees such noncompliance may be grounds for contract termination.

The Agency may terminate this contract in whole or in part, for the Agency's convenience or because of the failure of the Contractor to fulfill the contract obligations. The Agency shall terminate by delivering to the Contractor a Notice of Termination specifying the nature, extent, and effective date of the termination. Upon receipt of the notice, the Contractor shall (1) immediately discontinue all services affected (unless the notice directs otherwise), and (2) deliver to the Agency's Contracting Officer all data, drawings, specifications, reports, estimates, summaries, and other information and materials accumulated in performing this contract, whether completed or in process. Agency has a royalty-free, nonexclusive, and irrevocable license to reproduce, publish or otherwise use, all such data, drawings, specifications, reports, estimates, summaries, and other information and materials.

If the termination is for the convenience of the Agency, the Agency's Contracting Officer shall make an equitable adjustment in the contract price but shall allow no anticipated profit on unperformed services.

If the termination is for failure of the Contractor to fulfill the contract obligations, the Agency may complete the work by contract or otherwise and the Contractor shall be liable for any additional cost incurred by the Agency.

If, after termination for failure to fulfill contract obligations, it is determined that the Contractor was not in default, the rights and obligations of the parties shall be the same as if the termination had been issued for the convenience of Agency

Termination for Convenience or Default (Cost-Type Contracts)

The Agency may terminate this contract, or any portion of it, by serving a Notice of Termination on the Contractor. The notice shall state whether the termination is for convenience of Agency or for the default of the Contractor. If the termination is for default, the notice shall state the manner in which the Contractor has failed to perform the requirements of the contract. The Contractor shall account for any property in its possession paid for from funds received from the Agency, or property supplied to the Contractor by the Agency. If the termination is for default, the Agency may fix the fee, if the contract provides for a fee, to be paid the Contractor in proportion to the value, if any, of work performed up to the time of termination. The Contractor shall promptly submit its termination claim to the Agency and the parties shall negotiate the termination settlement to be paid the Contractor.

If the termination is for the convenience of Agency, the Contractor shall be paid its contract close-out costs, and a fee, if the contract provided for payment of a fee, in proportion to the work performed up to the time of termination.

If, after serving a Notice of Termination for Default, the Agency determines that the Contractor has an excusable reason for not performing, the Agency, after setting up a new work schedule, may allow the Contractor to continue work, or treat the termination as a Termination for Convenience.
